Dear Parents/Guardians,

The following guidelines must be used for non-prescription medications to be given at school:

1. Any non-prescription medication must come to school in its **original container**.
2. The **Non-Prescription Medication Form** must be **completed and signed by the parent/guardian** to insure the correct dosage and time student is to receive medication.
3. Each time dosage is adjusted or medication is changed a new **Non-Prescription Medication Form** must be completed and signed by the parent/guardian.

This information is required to ensure correct administration of medication to your student.

Sincerely,

Kristen Ewers, RN, BSN

Kristen Ewers, RN, BSN
School Nurse
